Parents, siblings, and family members of children and adults with Intellectual and Developmental Disabilities are cordially invited to our special ****in-person**** meeting.

The Regional Family Support Planning Council #5 (Middlesex, Mercer, Hunterdon) advocates for families and individuals with developmental disabilities at the local and state level on issues that directly impact their lives.

This is an ****in-person**** event. Real-time AI captioning and language translation are available via the participant's mobile device. For more information, contact Kyoko.Coco@njcdd.org
