Youth Leadership Project

Build Your Leadership Skills and Share Your Talents

Training Tomorrow's Leaders Today!

Build Your Future

Our most powerful resource is our young people.

You will become the leading voices for yourselves and for other people with developmental disabilities. Self-advocates speaking up and making positive change. The youth leadership project wants to work with you, your friends, your family, your teachers and your community to help make it happen.

**Youth Leadership
Your Generation:
In Charge!**

Prepare for Tomorrow

There are 8 sessions that can be held at your school, in your town library or somewhere in your local community. You will learn about:

How to improve your Advocacy Skills

- Team building
- Public speaking
- How government works
- How to be an advocate

Leadership is a Lifetime of Learning
We can help you get started

Youth Leadership Project

**Answer the call!
Training Tomorrow's
Leaders Today**

Learn From Each Other

Bring Your Ideas.
Tell the Group what You Think is Important.
Hear from others.
Learn About How You Can make a Difference and Take Charge of Your Life and Our Future.
