

Transforming Care

Providing Compassionate Care for those with Intellectual and Developmental Disabilities and Autism Spectrum Disorder

Online Trainings for both Medical Providers and Non-clinical Staff

The Woods System of Care, a recognized leader in providing lifelong, comprehensive care for individuals with Intellectual and/or Developmental Disabilities (I/DD), is pleased to offer an exclusive opportunity for **medical providers and non-clinical staff** to enhance their expertise in delivering high-quality, compassionate care to this unique population.

- Trainings are fully virtual, self-paced e-learning modules
- Continuing Education: Earn 2 hours of accredited CME/CE units
- Available until September 30th

Access for free by clicking on the link below or using the QR code!
