Disability and Human Development
Jason Miller, Executive Director, PLAN NJ

**REGISTER
HERE**

Connect. Collaborate. Empower.

Join family advocates and professionals for an interactive virtual session focused on improving communication and collaboration to support individuals with intellectual and developmental disabilities. Hear stories and expert tips, then join breakout rooms focused on children or adults. Together, we will explore strategies for building trust and forming unified support teams.

For language and special accommodation requests and questions, contact Kyoko Coco.
